In compliance with the duty disclosure and candor 37 C.F.R. 1.56 (a), the undersigned representative submits with this paper patents, patent applications, publications, and other materials and information that may be material to the examination of the above noted patent application.

Certification under 37 CFR 1.97(e)

As set forth in 37 CFR 1.97(e)(1), the undersigned states that each item of information contained in this information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement.

The Examiner's attention is specifically brought to printed material information that has been listed on enclosed PTO FORM 1449 of which there is one page.

The undersigned representative requests that an initialed copy of the enclosed FORM 1449 be entered into the application file wrapper and returned to the undersigned with the next communication from the Office.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search of the prior art has been made, or an admission that the information cited is or is considered to be, material to the patentability, or that no other material information exists. The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. [37 C.F.R. 1.97(g)]

The undersigned representative authorizes the Commissioner to charge any fees under 37 C.F.R. 1.16 or 1.17 that may be required, or credit any overpayment, to Deposit Account No. 01-2508, referencing Order No. 10025.XXXX.PCUS00/STEINHEIDER.
